Approving a Character for a Venue

Getting Information on Your Character from the CRD

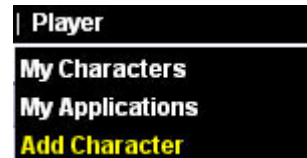

- Open a new browser window and go to the **Camarilla Resource Database**. (<http://camarilla.white-wolf.com/crd/>)
- Select **Characters** from the menu on the left.
- Select your character from the list of characters that you have entered into the CRD (Camarilla Resource Database).
- Click on the **Print Text** tab.

- Copy the text down to where it lists **Background**. This is the character sheet for the character. It should be entered into the **Character Sheet** text box on the **Add a Character** form on the **Camarilla Approvals Database**.
- Copy the text between **Background** and **XP Log**. This is your background information for the character. It should be entered into the **Background** text box on the **Add a Character** form on the **Camarilla Approvals Database**.

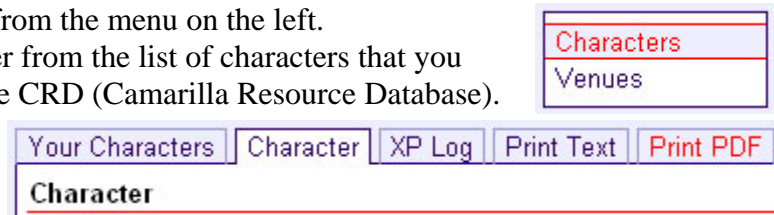

Adding Your Character to the Approvals Database

- Open a new browser window and go to the **Camarilla Approvals Database**. (<http://camarilla.white-wolf.com/approvals/>)
- To add a character, move the mouse over **Players** and then select **Add Character**.
- Enter your character's name in the **Character Name** field.
- Select the type of **Venue** that you are playing in. If you do not know which one to select, ask your direct Storyteller.
- Enter the **Subtype (Clan, Kith, Tribe, etc)** that your character belongs to.
- Select the **Type** of character. If this is your first character for this Venue, then select **Primary**. Consult with your direct Storyteller if you plan on playing a character as **Secondary**.
- Once you have entered all the information, select **Enter New Information**.
- Next, you will need to select the Venue that your character belongs to. If you do not know the venue name, contact your direct storyteller and they can provide you with it.
- You should now be able to see your character by selecting **Player > My Characters**. If there is a venue listed in your character's VSS section then you have been submitted for approval to that venue.

Sending Your Character Sheet to Your Storyteller

- Open a new browser window and go to the **Camarilla Resource Database**. (<http://camarilla.white-wolf.com/crd/>)
- Select **Characters** from the menu on the left.
- Select your character from the list of characters that you have entered into the CRD (Camarilla Resource Database).
- Click on the **Print PDF** tab.

- Select **File > Save As...** in your web browser to save a copy of this PDF character sheet.
- Email the copy of the sheet to your direct storyteller and request that they review the sheet and accept your character within the Venue.
- Save a copy of the PDF for your own records. You may print out the character sheet portion of this PDF to take to games and use as reference during play.
